Bronco-Chiefs dressingrooms.

HANK STRAM—"I didn't know we were breaking s many records. How far did the little guy go? We have some wild games here, don't we? Our first ~~and~~ two quick touchdowns set us up. Running was our game plan. We thought we could run today. Dawson's play s lection and leadership was outstanding and our people up front really did a fine j b of opening the way for our running game.

Mike (Garrett) has grown a great deal this season and will continue to get better. Taylor on Sellers was something. That first touchdown of Otis' was similar to the play we scored n at New York a week ago. We run it from the slotback formation with Otis on the outside. ~~It's~~ It's a one-on-one situation but I believe Sellers fell down, didn't he?

Denver is a fine young team ~~and~~ Lou (Saban) is handling the squad in an intelligent ~~max~~ way. He's ~~gave~~ given all of them ~~an~~ a chance and he can form some strong opinions going into the up-coming draft.

Denver's set of receivers is as fine as any in the ~~league~~ league and wait until Tensi gets a chance to go through the training camp and the entire season with this team. ~~He~~ He will continue to get g better.

~~Substitutes~~ **JACK STEADMAN** (Chiefs' General Manager) Came into Bronco rooms right after game to congratulate Saban. "Lou, you are doing a great job and your club ~~is~~ really hustles and hits."

LOU SABAN—"We played pretty good football against one of the really great teams. We came back. One man killed us. You ~~can't~~ can't blame ~~the~~ the whole ball lub for one ~~man~~ man.

These young fellows really want to play. Our backs ran well and we played people like Sweeney, Andrus and Buranko and I think they did a pretty good job.

In the final analysis no one can say ~~he~~ he hasn't been tested. It has been an important year for us. There are good signs and I know we can make our decisions concerning these young players.

I thought we were ~~playing~~ playing well and then I look ~~up~~ up ~~and~~ and see we are 21 points behind. That one guy killed us.

Now that this one is over (season) I'm anxious to get the next one started."

NOTE—No serious injuries either club. Denver's Jacquess had bad bruise on throat and that's it.
