## POST-GAME QUOTES

Tampa Bay vs. Denver  
November 15, 1981

TAMPA BAY COACH JOHN MCKAY: We played a very, very, very poor game. They kicked the living hell out of us and we stood there and took it.

"In the last couple of weeks it hasn't been very hard to stop our offense. We haven't been blocking very well, we haven't been throwing very well and we haven't been catching very well when we had the chance. If you don't block and you don't catch and you don't run as Francis Schmidt once said what else is there."

(the penalties on the second Denver touchdown drive): It was a severe thing for us. It gave them the impetus to score a touchdown. Any unnecessary roughness penalty is useless. I'd rather have him do anything in the world besides that. It could hurt another player and it's not part of football. But at the time I'm 58½ yards away from him.

"I think we ran only three plays in the third quarter. The defense had been out there a long time so we took some people out. They wouldn't have hurt us if we hadn't got the unnecessary roughness penalties.

"I thought we were ready to play and we would play well. I'm sorry he (Morton) got hurt actually. We thought we could play good defense but we didn't."

(Can you regroup?) - "That's a tough question. If we play like that we'll never win another game."

"We're going to have to make some changes, we're going to have to. But we'll look at the film and see where we're going. You can only make so many because you only have 45 people."

(Swider's block?) "Yes he took too long to punt it. One of our players blocked the guy but he didn't stay on him long enough. He didn't think he'd take that long. I think he was trying to punt it out of bounds."

DENVER COACH DAN REEVES: "I feel it's a big win for us, especially at the start of a three-game road trip. One reason we have been successful is that everybody on this team contributes. A fine example of that was Steve DeBerg's effort today.

"I feel with any of our three quarterbacks in the game, I feel the Broncos can play the same game. The loss of Morton hurt the Broncos but not as much as it would some teams losing their starting quarterback.

"Throughout the game I kept hearing one name over and over again for Tampa Bay tackles, that name was 'Hugh Green.' I had heard Hugh Green was an excellent ballplayer and after today he doesn't have to prove anything to me."
