Denver Bronco Head Coach Wade Phillips

General

I told our team that I believed this, it was a good way to finish up our preseason with this win. This is the kind of game that you like to have. We didn't have all of our top players in there, but everybody played hard; everyone got some more experience and played with a winning attitude; and that's exactly what we were looking for.

"We did some good things offensively, and special credit goes to Hugh Millen. He played consistently well. That first play, that first pass, was our fault. Buddy (Ryan) did a good job on defense; they made us 'automatic' that pass. They guessed correctly that we were going to run that hot route, they took a great chance but it paid off for them. If we had thrown it deep, we might have had a touchdown. But anyway, they made the big play, they made the touchdown.

"What I liked to see was Hugh bouncing back from that. He took a lot of hits and made a lot of big plays for us. I was glad to see Hugh come through like that. I was hoping he would, certainly in light of the recent events, and you can see that he is a tough quarterback. He's a guy you can win with if the situation arises. We answered some questions there tonight."

On The Defense

"We had our big guys playing together tonight. Williams and Washington got some time, and you saw them try and run up the middle. It was almost impossible. I was pleased to see that. We still have some work to do, but overall I was pleased. At one point, we only had six defensive backs, seven if you count Charles Swann. When he got hurt, we had to put Steve Atwater back in. I was pleased with the way our first-team defensive players played tonight. We really didn't want him in the game at that point, but we didn't have anyone left. This game brought the defense together a little bit, and that's encouraging."

More On Millen

"It was very important for Hugh to come through for us tonight, this decision about Tommy Maddox was not all ours; it was partly his choice. It certainly just wasn't our decision. Once that was finalized so to speak and we knew Tommy wasn't going to be with us, we had to have some confidence that Hugh could go in and get the job done. I think he demonstrated that tonight."

More General

"This was still preseason. When we win, everybody says that's great. When we lose 'em, they say 'how can you lose a preseason game like that?' But that's all right, we got some things accomplished, and hopefully we took a step. And we got a chance to look at everyone again. Preseason is tough, with the number of substitutions. We had to call timeouts that we wouldn't normally call. But a lot of guys showed up, and that will make our decisions more difficult."

On Cut Down

"A lot of the guys on the bubble helped themselves tonight. From what I saw, it was encouraging, but we have to watch the films to be sure. There were a lot of guys in there that looked like they made some plays for us. The last cut's always tough. The first cut was tough; they're some guys there that we'd like to have back on the practice squad. I'm going to try to notify everyone tomorrow. Everyone is coming in at 2:00, and we'd like to have our grading done and our decisions made by then. I'd like to tell them all before Sunday. We should have our minds made up tomorrow."

In Conclusion

"This was a nice prelude to preparation for the San Diego game. We have some decision to make, and then we'll get down to business."

Denver Bronco Players

QB Hugh Millen

ON PRESSURE BECAUSE OF ATTENTION--"I think there was naturally a lot of focus on me this week because of the situation with Tommy (Maddox), and because I was playing the whole game, it was an opportunity to show the organization and my teammates that I could move the team, put the ball in the end zone and win a game."

ON HIS FIRST PASS--"Buddy Ryan has more innovative blitzes than anyone in the league. I threw the ball in front of Cedric Tillman and never saw the cornerback. I looked at that as an opportunity to show the team that I could handle adversity and bounce back."

GENERAL--"It was a short week, and I put in a lot of overtime. The Cardinals have a smorgasbord of blitzes. They got us on a couple, but we got big plays against them a couple of times. It was fun to be in the huddle, and see players with all that ability. I took a few hits tonight, but I don't think it was an enormous amount. The offensive line showed a lot of ability and leadership."

SUMMATION--"You look at this as an opportunity. I'm new to this team, and I feel good in that respect, You earn your stripes by taking a hit in the mouth and taking the team into the end zone."

DE Ted Washington

GENERAL--"I wasn't worried about my leg, I just wanted to play football. It felt pretty good to tackle somebody and make contact. I had a few butterflies, but after the first play, I was into it."

S Steve Atwater

GENERAL--"I think we definitely took a step in the right direction tonight. It really helped our confidence. I get pretty upset myself when we lose a preseason game, so I was happy to get this one."

WR Mike Pritchard

ON HUGH MILLEN--"Tonight gave us a lot of confidence that if for some reason John Elway goes down during the season, we've got a guy who can rise to the occasion. We built a lot of confidence tonight because we did a lot of good things."

DE Dan Williams

GENERAL--"I was happy to get in there tonight. We (the D-line) have really just started playing together, and the longer we're together, the better we're going to be."

Arizona Cardinal Head Coach Buddy Ryan

General

"Our first unit played pretty well, but we made some changes in the middle of the first quarter, and when we put our second unit in, we didn't have a clue. Even where to line up, much less play defense. Our offense did a decent job, but members of our second unit have to be ready to step up if anyone gets hurt. They have to be able to come in and play.

"Our offense at the end of the game did a good job. They (Denver) put in their first nickel defense and Atwater came up with the interception. The All-Pro, and that was enough to win the game.

"The synopsis of the outcome is they may have wanted to win it a little bit more than we did."

On Steve Beuerlein

"I thought he looked good. I should have gotten him out of the game a little earlier, but he was having some success, so I let him stay in."

On Arizona Tackling

"I thought it was terrible tackling. It's an attitude problem. You've got to wrap the runner up. When things start going downhill, that's usually what happens."

Is His Team Ready For The Regular Season

"I think our first unit is ready. I just hope no one gets hurt, so we don't have to use anyone from the second unit. I just think, we have to play our regulars, and we'll find out against the Rams."

More General

"Denver had some of their people back that were hurt and didn't play in Dallas. I thought the game started off well. We just didn't want to get anyone hurt, such as Seth Joiner, Clyde Simmons, Wilbur Marshall. But our middle linebacker had to play a lot."

ARIZONA PLAYERS

QB Chris Swartz

GENERAL--"I didn't have anything to lose, I tried my best. I took us down, and we scored one TD, the other one was broken up by Atwater. I made some mistakes, but I guess everyone does. I'm just going to wait until tomorrow and see what happens."

QB Steve Beuerlein

GENERAL--"We need to realize our mistakes and realize that these losses are not acceptable. We will come out ready to play next time. We did do some good things tonight, but I think we need to prepare better. The offense kept some drives alive and got some points on the board. I can't say that I'm satisfied. I think we need to improve our running and passing games. Everyone can get a lot better, we're not playing as well as we're expected to."

ON HIS RUNNING--"I'm not a true runner, but I do have the ability to run if it's the last option."

RB Brian Hensey

GENERAL--"I went out and gave 110 percent. I was upset about the fumble, but coach Ryan didn't take my confidence away. Instead, he gave me the ball right back. I'm not really worried about tomorrow, I accomplished what I wanted to, and that was coming out here and doing my best."
