LINEBACKER KEISHAWN BIERRIA (Rd. 6, No. 217, University of Washington)

On his visit with the Broncos

“My visit with the Broncos was great. I felt it was a family environment. There were a lot of smiles, a lot of people walking me in, and telling me how I fit the organization. It was great. It was a lot like visiting a team I have already met - a team that already knows you personally. It just felt like a comfortable place to be.”

On being shaped by his adversity

“It shaped me a lot. I learned a lot throughout the process. Being able to bounce back through adversity and everything I have been through, it has meant a lot. In terms of the learning experiences, it has made me a stronger person and a stronger man. It has shaped me in to the person I am now.”

On his ability to recover fumbles

“A lot of that came from my teammates making plays and getting the ball out. It came down to my hustle and my desire to get in on the play and make a play. That is really what led to me leading the nation in fumble recoveries – my ability to just run to the ball and get to the ball. That is really what we are. That is what I do. It is my job to get to the ball and stop the ball. For me, it always helps to get to the ball, stop the ball, and recover fumbles. That is a part of my job. The fact that I did that well, can attest to my energy that I put on the field and my ability to always get on the ball.”
