DENVER BRONCOS 2018 ROOKIE ORIENTATION QUOTES (5/11/18)

INSIDE LINEBACKER JOSEY JEWELL

On his nickname 'The Outlaw'

"It's all good with me. It happened in college and hopefully it keeps going. We'll see."

On his first impressions of being in Denver

"Once or twice I've been here. I came on a visit for the official 30. It was my favorite place out of the three that I visited. It's special place and I can't wait to keep on working here."

On what made Denver his favorite

"Just the culture, talking to the coaches and the players. It feels like what I grew up with, going to Iowa and then coming here. It's just an amazing culture and a winning culture."

On what are characteristics that he sees from the defense

"This defense is crazy. They got a lot of playmakers on the defense already. Bringing in the other draft picks up on the front end. They're just good all-around and it's an exciting thing to be part of. Hopefully in these next couple of weeks I can be more of a part of it."

On how he can contribute most to the team

"Hopefully I can come into special teams and help the coaches, help the players as much as possible there. Then if my role extends, that'd be awesome. Whatever the coaches see fit."

On the key to being a good tackler

"It's a lot of fundamental stuff that we worked on. I think the coaches back in college really helped me out with that. Just being able to focus on that and it's all about small details. Being able to wrap up and roll, just depending on what kind of tackle you're supposed to make. That's all the coaches."

On whether if he thinks his game speed will transfer to the NFL

"I hope so. I'm just ready for this opportunity, ready to get out on the field and play with other guys."

On how his game will compliment ILB Brandon Marshall and ILB Todd Davis

"I haven't been out with them, so I don't know yet. Hopefully we'll find out in these next couple of weeks here."

On the large number of snaps he played in college

"I think I had a lot of great teammates around me that allowed me to play like that. Very trustworthy teammates where I could trust what they were going to do and how to play off of them. The coaching staff also helped me to get to where I was."

On TE Troy Fumagalli and WR DaeSean Hamilton

“Two really good dudes just from talking to them these last couple of days. Great players too, from what I’ve seen and from what I’ve played against. Great guys that can also play pretty good football.”

On matching up against Fumagalli in college

“I think it happened one or two years ago. He’s a quick guy and he’s got good hands. He’s one of those really good tight ends you got to watch out for.”
