DENVER BRONCOS OTA QUOTES (5/29/18)

TACKLE JARED VELDHEER

On the Broncos' turnover at right tackle in recent seasons

"Issues or no issues, I want to come in and be that guy no matter what."

On the pace of practice

"It's been good. I can't wait to jump back out and be a part of that pace."

On his fellow offensive linemen

"The guys are determined. They're tough and they work hard. Everybody wants the same goal."

On when he expects to be able to practice

"That's up to the training staff and the coaches."

On if he feels like he could play now if he had to

"Again, that's up to them. I always want to. I came into the meeting with the docs after I broke my foot and asked if I could just finish out the season. They said there's an artery that goes through that bone though, so that wasn't a good idea."

On his height

"Yeah, between 6-8 and 6-9. I don't need any more inches."
