### **DENVER BRONCOS OTA QUOTES (6/7/18)**

#### **RUNNING BACK DEVONTAE BOOKER**

##### **On how OTAs went for him**

"It's been going well so far. Everybody is trying to gel as an offense and get better each day. Just put our best work out on the field."

##### **On having different weapons on offense**

"It's been good. We have a lot of running backs now and they all can do similar things. Catching the ball in the back field, running, and, like he said, we have a lot of weapons. We're just looking forward to seeing what we all can do out there on the field."

##### **On how comfortable he feels in the new offense**

"I feel good. It's really not much different from last year. It's pretty much the same stuff, just different verbiage. But I feel good in this offense."

##### **On how his role has changed being the veteran**

"It could change a little bit but I'm still going to go out each day and grind and work hard and have these coaches believe in me."

##### **On the competition he expects to see in the running back room**

"Really just competing with the other guys. That's what I'm looking forward to. All of them are going to push me and I'm going to push them to the fullest. So, I'm really looking forward to the competitiveness that all the guys bring."

##### **On working with QB Case Keenum**

"It's been good. Case is a good guy, he's got that leadership mentality. He's going to push us and the whole team to go far this year."

##### **On if it's easier having a set starting quarterback**

"Yeah, I guess so. Whichever quarterback is in there, we're going to try to make everything right and go out there and win games."
