### **DENVER BRONCOS OTA QUOTES (6/7/18)**

#### **RUNNING BACK ROYCE FREEMAN**

##### **On his thoughts on OTAs**

“Getting to learn the system. Working with [Running Backs] Coach [Curtis] Modkins and all the running backs. I really enjoyed it.”

##### **On the running back competition**

“I'm feeling good. It's fun just to be competing with those type of backs helping each other out. I think when we see each other do well, it drives the whole running back room.”

##### **On having a young running back group**

“I think it's been a good environment. We all understand we're pretty young. But I think that gives us a chance to grow and see the growth throughout camp, into the preseason and so on and so forth. I'm really excited for that.”

##### **On accomplishing his goals for OTAs**

“I feel like I just wanted to come in and compete. Show the coaches that I have that competitive nature. I feel like I could bring that to the team and help many ways. No matter what they wanted me to do, I was ready to do it.”

##### **On if he has plans for the break after OTAs**

“No, not yet. I'm still working on that. But we have some practices to finish up first.”
