## **DENVER BRONCOS MINI CAMP QUOTES (6/12 /18)**

### **SAFETY DARIAN STEWART**

#### **On how the secondary is different**

"It's younger. We're young, and I know that it's on me and [CB] Chris [Harris Jr.] just to get these young guys going, and [CB Bradley] Roby. 'J-Simms' (S Justin Simmons) is stepping up. He's going to make a big impact for us along with Philly (S Will Parks). We've got some young guys that are going to help us out a lot, too."

#### **On giving Simmons tips on being a dad**

"He's just going to have to learn on his own. He's in phase one right now, so I know he's not getting too much sleep."

#### **On if being a dad is like OTAs with having different phases**

"Yes sir, it is. The good thing about me, I had mine during the season so I had a lot of football work to do. He's off now, so he'll spend a lot of time with her."

#### **On how Day 1 of minicamp went**

"Day 1 was good. We got a lot of great work— it was a little longer than OTAs, but I thought we put in some good work today."

#### **On what he hopes the team can accomplish in mini camp**

"Just getting this game plan down and just teaching these young guys how the Broncos work. We're expecting big things from them and we're just trying to bring them along."

#### **On any specific rookie that's standing out**

"[OLB Bradley] Chubb is doing a great job. On offense, there's a bunch of them. I like it, I like it a lot. They can do a lot of different things, especially in that running back group. [TE] Jake Butt is coming along pretty good after sitting out last year. I like what I see from all of them and they're going to be a big impact for us this year."
