### **DENVER BRONCOS MINI CAMP QUOTES (6/13 /18)**

#### **OUTSIDE LINEBACKER BRADLEY CHUBB**

##### **On why Pass Rush Consultant DeMarcus Ware is good as a leader**

“Just the fact that he knows the game inside and out. We’re watching film and he’s seeing things that everybody else is like ‘what are you talking about? Nobody sees that.’ His presence is ‘Hey, I’m a leader. Listen to me, I know what I’m doing,’ and when a guy has that much respect you just want to follow them.”

##### **On what makes him easy to follow**

“He was a great player. Still could come out and play if he needed to, and also like I said, a great teacher. He breaks things down to simple terms. Let’s you know how to really think about things and he’s a really good guy.”

##### **On talking to fellow linebacker Von Miller about Ware**

“I didn’t really have to talk to him about it because I see the finished product, pretty much. And I see how Von is trying to help the younger guys like me and [OLB] Jeff [Holland] and all of those other rookies. How he’s trying to help us the way DeMarcus helped him. It’s like a trickling down effect, but he hasn’t really talked about him [specifically].”

##### **On learning from both Ware and Miller**

“I’m just smiling from ear to ear. Every opportunity I get, just wide-open ears, listening to everything they have to say and just trying to take it all in and make sure I implement to my game.”
